SYNERGY SELECT FOR VISUAL
EXCLUSIVE CUSTOMER PROGRAM

Become a Synergy Select member to take advantage of all big savings & customized support!

PROGRAM PERKS & SAVINGS INCLUDE:

Free Annual ERP Optimization Review

Properly optimized, your ERP system should be a competitive advantage. Take advantage of our ERP Optimization Review for any site of your choosing and swiftly benchmark your company's ERP knowledge, navigation, utilization, process optimization and reporting against our extensive best practice experience. Then use the findings and recommendations report to increase your companies competitiveness!

Access to our Online Learning System

Get 5 free licenses to Synergy's Online Learning System for VISUAL ERP. Synergy Resources has combined our extensive VISUAL knowledge and experience to create an online-accessible, self-paced VISUAL training experience.

10% Discount Off Standard Services Rate*

All members will receive a discounted rate for hourly services delivered by Synergy's experienced specialists. * *Custom development not included.*

25% Discount off Synergy Extensions

Apply a 25% discount year-round off of all Synergy specific Extensions from our on-line catalog including SmartViews, BOM Xploder, Credit Card, ACH, and more!

Free Workshop

Experience the power of a focused, hands-on session facilitated by an experienced consultant. Select any one of our instructor-led Workshops from our extensive online catalog that fits your organization's most immediate needs.

+ + + Upgrade to SYNERGY SELECT PLUS + + +

Includes all of the benefits in the Synergy Select Program, plus a Business Operations Assessment in the first year.

Join Now!

Join hundreds of other Synergy clients in realizing the big savings and customized support that being a Synergy Select member delivers. Receive all of these benefits for less than the cost of a single ERP Optimization Review!
